WILDCATS

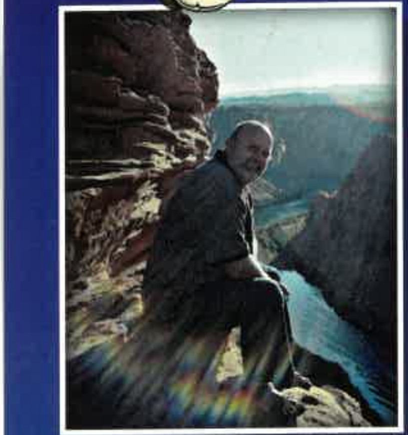
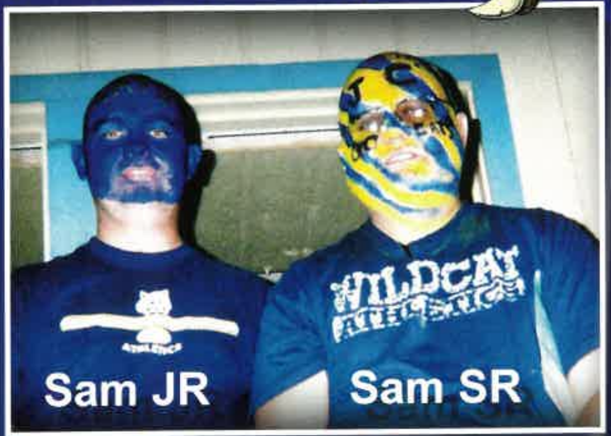
Mr. Miller
JR/SR Principal

Another year at Joseph City JR/SR High School has come and gone. It was a year filled with many memories and many life lessons for all of us. We have experienced last second game winning shots, heartbreaking playoff losses, the opening night for James and the Giant Peach, late nights finishing procrastinated English papers, and much, much more. There were so many opportunities to learn, to grow, and to have a lot of fun. I hope that you have all worked hard and made the most of the 2017-18 school year. For those of you who did not take advantage of all that Joseph City JR/SR High School offers, I am reminded of the inscription from John Wayne's headstone: "Tomorrow is the most important thing in life. Comes to us at midnight very clean. It's perfect when it arrives and puts itself in our hands. It hopes we've learnt something from yesterday." Whether you are graduating and headed off into life after high school or you are lucky enough to be able to continue your education here at Joseph City, make sure to take those perfect tomorrows and make the most of them!

DEDICATION

THANK YOU SAM, SAM THE BUS DRIVER MAN!





WE ARE GRATEFUL FOR SAM JOHNSTUN! HE HAS BEEN A RESPONSIBLE AND DEPENDABLE BUS DRIVER AND MUCH MORE THAN THAT, OVER THE PAST MANY YEARS FOR OUR SCHOOLS. HAVING WORKED WITH HIM FOR MANY YEARS AND OBSERVED HOW HE APPROACHES HIS JOBS AND RESPONSIBILITIES, I HAVE NO DOUBT THAT HE TRULY CARES FOR OUR STUDENTS AND SCHOOLS. ON BEHALF OF ALL THOSE WHOM HE HAS TOUCHED IN SOME WAY, KEPT SAFE, AND BEEN A STABLE SOURCE OF RELIABILITY AND DEPENDABILITY, WE HUMBLY SAY THANK YOU! WE ARE GRATEFUL FOR EVERYTHING THAT MR. What is a legend? Webster's Dictionary says it's a story popularly regarded as being historically accurate, but most likely - it's all pretend. That's what you'll find in The Legend of Sleepy Hollow; what's real, and what's not. what's truth, and what's a lie? Legends and stories abound in the quaint town of Sleepy Hollow, but just like Ichabod Crane . . . it's up to you to discover whether or not you believe them.Let's hope you don't meet any hooded figures riding on horseback on the way home tonight . . .it's all just a legend, right?

The Wildcat Football Team had a successful year despite all our setbacks. This year really tested our team's ability to overcome injuries. The boys really had to come together and be positive after all the injuries we endured. The Wildcats went 5-3 during the regular season and made it to the playoffs as the 11th seed. We lost the 1^{St} round of the state playoffs to Trivium Prep; however, it was a very exciting and close game. We had the lead in the game until the final thirteen seconds. The final score was 28-26. Our division was a tough division with two of the four semi-finalists coming out of our division. The eventual state champions, the William Vikings, came out of our division. Several of our players rarely came off the field and had to be in great shape to keep playing the whole game. Many boys on this team also played multiple positions throughout the season and did well adjusting to all of this. We also had several Freshman and first year players that made major contributions to our team. The players are a great bunch of kids! I appreciated their hard work and exceptional sportsmanship. They represented JCHS very well! - Coach Larsen

Volleyball 2017 -- It is unusual to have seven seniors on a volleyball team. Their experience and leadership helped contribute to the success of the season. We were third place at the Ash Fork Tournament and finished 2nd at the Joseph City Tournament losing to the eventual state champions. As a coach, I don't remember a more difficult schedule. We played more than half of the teams that qualified for the state tournament. We played the top four teams, some multiple times. We finished 16th in state, but gave up the position at the state tournament to a runner up team from the South Conference. Team honors went to Tacye Baldwin: All-tournament team Ash Fork, Haley Edwards: All-tournament team Joseph City and 1st team All Conference, Kinsley Lampsa: 2nd Team All Conference. Honorable Mentions: Tayce Baldwin, Arianna Kissling, and Leigh Neal. Haley was 3rd in the state with 189 kills and Kinsley was 3rd in State and 1st in our conference with 84 Aces. We finished the season 8-10 playing our best. Alone we can do so little. Together we can do so much! - Coach Mosier

The Fall Season of 2017 was a success in my book! We were able to add more meets and we had a bigger girls team! I was so thankful for the girls and their participation this year. We saw successes at each meet, logging in PR every time. I am looking forward to more success and hopefully a full girls team next year. Though it is the second year having a Boys Cross Country Team we still experienced 1st , 1st Desert Twilight meet, 1st state qualifying team, 1st Sectional Champ as well as 1st State Champion! Even though we started the season unknown, we quickly gained notice as the boys continued to PR at each meet. Some of the most memorable experiences were: Desert Twilight, a huge evening meet that brought teams from around the world and Talon placing 1st in the small school's division. We had a couple of football players join us in our Sectional race helping us qualify for state and the team placing 5th in the section. Probably the most memorable moment was when Talon beat the Hopi runner for the third time in a row and was named the AIA Division State Champion. It was an exciting year and I look forward to another exciting year to come!

THE SEASON WAS FILLED WITH A LOT OF WORK AND SOME EXCITING GAMES (WHO CAN FORGET THE LAST SECOND 3 POINTER TO BEAT NFL?). THE TEAM IS GRATEFUL FOR THIS YEAR'S SENIORS AND ALL THE WORK THEY HAVE PUT IN TO HELP BUILD WILDCAT BASKETBALL.

The Lady Wildcat Basketball Team had a great 2017-18 season. Even though we dealt with several injuries throughout the year, we never stopped battling. From the first day we entered the gym through our very last game, we always saw improvement; not just in the fundamentals of basketball, but also in teamwork and supporting each other as we faced challenges together, both on and off the court. We are going to miss the examples and leadership from our seniors: Haley, Katie, Arianna, Bree, Kennedy, and De De. We are very grateful to all of the ladies on the team for your hard work and determination to get better each and every day. Thank you ladies for an awesome season! We look forward to the 2018-19 season to start.

The 2017-18 wrestling season was full of excitement with wins over some much larger schools! We were short on numbers this year, but very big on heart and determination. We participated in the Gila Valley, Chandler Prep, Joseph City, Winslow and the Mogollon tournaments along with several dual meets. Some of our wrestlers had over 60 matches this year. We placed fourth at our sectionals, qualifying six wrestlers for state: Ethan Hansen, Joseph Burt, Trey Tuckfield, Cameron Baldwin, Eligh Ashcroft and Toby Ballew. We had one state champion which was Cameron at 138 lbs and Trey placed fifth at 132 lbs. At state we scored 44 points, the most in five years. It was an awesome season and we look forward to another great season next year!

The Wildcats began the 2018 season with only four returning starters from the previous year: Rance Haddox, Jesse Hulsey, Cameron Baldwin, and K.J. Kinlicheenie. As the season started, there were many new faces in the starting lineup. The Wildcats beat Ash Fork twice in an early season region doubleheader to get the season off to a great start. Midway through the season, the Wildcats encountered a rough stretch of non-conference losses while enduring a six game losing streak.

At this point of the season, the team has had many individuals who have had stellar performances. Senior Jesse Hulsey has led the team by his excellent defensive play as well as hitting and pitching performances. Rance Haddox has anchored the team behind the plate and produced at the dish with timely hitting. Juniors, Cameron and K.J. have had many key hits. Avery Buckley, Jay Edwards, and Colter Westover have stepped into play significant starting positions as Freshmen.

With nine games remaining in the season, including the six region contest, the Wildcats have a chance to make the Arizona 1-A state tournament for the third straight year. This season has been an extremely enjoyable experience thanks to the quality assistant coaching of Dan Bushman, Eldon Larsen, Tyler Elmer, and Bryndon Buckley.

Thanks for the great memories, Coach Shawn S. Layden

This season has been full of promise and new beginnings. Promise as we have a team of talented individuals who are working hard and are set to perform well at state. New beginnings because we have many young returning and new athletes who are expected to do well throughout the remainder of the season.
To date we have several athletes who are qualified to compete at state. Talon Smith qualified early in the season in the following open events: 800 meter, 1600 meter, and the 3200 meter. He is also part of the 4x800 meter relay team that has qualified to participate at the state meet. The other members of that team are Jacob Bushman, Eligh Ashcroft, and Seth Hutchens. Our other qualified individual athletes are Matt Fields, who is qualified in the discus, shot put, long jump, and triple jump, and Kaylie Gardner who is qualified in 4 individual events: 400 meter, 800 meter, 1600 meter, and the 300 meter hurdles.
Our girls 4x100 relay team has met the provisional time for state competition so depending on the number of teams competing for the spots, they may be qualified as well. The girls 4x100 team is made up of Katrina Heaton, Kimberlin Johnstun, Sari Murdock, and Annalise Castellano.
We should be very competitive at the state level and bring home several medals. Our team was led this year by seniors Matt Fields and Adrian Baloo. We will miss them next year. I hope that all of our hard work and effort will pay off and that we will be as successful as our athletes are capable of.

What a good group of girls! I couldn't be more proud of the effort put into the cheer squad this year! The girls showed up to early morning practice and put their whole heart into it! They all worked together and did some awesome work to make our sports games fun and high spirited! I am especially proud of our senior girls and their athletic abilities! They really made our squad look super sharp! I am hoping the veterans will look up to the seniors and strive to do their best next year! Keep up the hard work because hopefully the coming years will be another challenge and make you even better athletes and people! Keep working hard and remember you can do hard things! Thank you to all the young athletes that came out for wrestling this year! It was an honor and privilege to coach all of you. We had a great season this year with lots of learning and growth. The athletes showed great determination and grit as we competed against larger schools. Congratulations to Terrell for taking the White Mountain Championship this year at 83 lbs. Also congratulations to Owen, Troy and Devin for medaling at the White Mountain Finals! We are looking forward to another great season next year and hope to see even more young men join our great team!

We had a fun season! As a coach I am very proud of these girls for the improvement they made over the season. I expect great things from them in the future. I am looking forward to having sixth and seventh grade girls back next year. The sixth graders were a big asset to our team. We are glad we asked them to join us.

We only had four eighth graders come out this year, but they did a great job! They worked hard and were the leaders of our team. We brought up seventh graders to help us and they played like champions! We played well against the larger schools we competed with. The highlight of our season was beating Holbrook in the first round of the White Mountain Tournament. We made some great memories and had a fun filled season!

We had a good season this year. We worked on fundamentals throughout the season and I think we improved week to week and game to game. Competing against schools much larger than ours was tough but I feel we stood up to the competition fighting through every minute of every quarter. We managed two victories this year: one during the regular season against Round Valley and one in the postseason against Rim Country. This is the first time in four years that we have won a post-season game. The coaching staff is proud of the effort the teams put forth this season.

We have grown so much as a team this season. All of last years failures, pushed the girls to work even harder and it paid off! They all have a much better understanding of the sport and their capabilities. We went from not winning a game last season to beating the number one ranked team! I know they are probably really tired of me yelling BUT they had a great season and I hope they can see that!!! You are such a joy to call our granddaughter! You have brought happiness and goofiness to the family that just brightens everyone's day. With your great attitude and beautiful smile. You will be able to accomplish all that you set your mind to. Your honesty is impeccable almost to a fault, but it brings such a breath of fresh air to situations and discussions. Your insight never ceases to amaze us. We are so proud of the wonderful young lady you are and cannot wait to see where your choices lead you. We love you very much! Mom & Dad

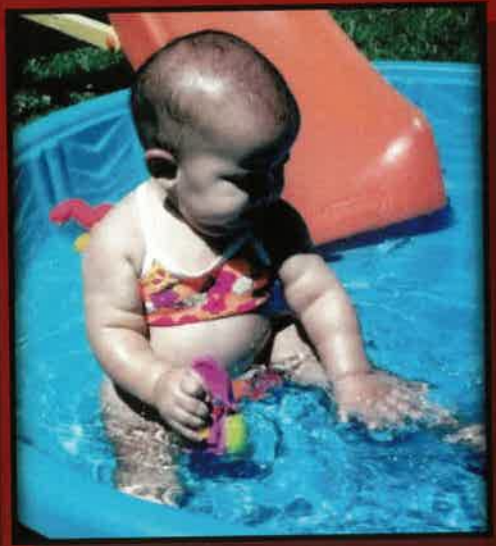
Arianna



You changed my world when you chose me for your mother. We have enjoyed watching you through all these years. You are the most kind, caring and loving soul. We look forward to watching you succeed in the coming years. May your life be filled with all your hopes and dreams.
Love, Mom & Dad

SARAH

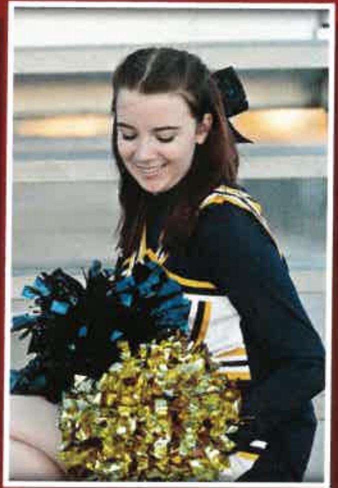
I'm thinking of you and realizing - once again, what a special friend you are and how incredibly lucky I am to have you in my life! I'm looking forward to many, many more years of laughter, fun, and friendship with you. Good luck on your next adventure! Love, Sierra

"Sarah, I've known you for so long and you're practically my sister. It's crazy how fast the years have gone by! You have become one of the smartest, funniest, most beautiful people I know. You're my other half. I'm beyond proud of you! Texas doesn't know what's comin'."
Love, Abby

"I am so proud of you, Bearface.
Your journey has just begun!"
Proverbs 3: 5-6
Robert

"Hey Lil Sis, I love you and am very proud of the person you are becoming. Keep it up Sarah and you'll do great things in life."
Jacob

"Sarah, I love you so much. I am so proud of who you are and who you are becoming."
Love, Nanny Jean



"Bear, you have accomplished so many great things. You have so many great things yet to accomplish. Go confidently in the direction of your dreams! Live the life you've imagined." HDT
